

**CORD Academic Assembly
Nashville, TN – March 2016**

“Writing Successful Self-Study Aims”

Michael Gisondi

Northwestern University

Program Director

Jeremy Branzetti

University of Washington

Associate Program Director

Must Read:

ACGME website, general information about Self-Study (which has their 8-step plan, including program aims): <https://www.acgme.org/acgmeweb/tabid/473/ProgramandInstitutionalAccreditation/Self-Study.aspx>

If you have a few hours:

[The Year is Over, Now What? The Annual Program Evaluation.](#)

Simpson D, Lypson M.

J Grad Med Educ. 2011 Sep;3(3):435-7. PMID: 22942982

[A conceptual model for program evaluation in graduate medical education.](#)

Musick DW.

Acad Med. 2006 Aug;81(8):759-65. Review. PMID: 16868435

If you have a little extra time:

[AMEE Education Guide no. 29: evaluating educational programmes.](#)

Goldie J.

Med Teach. 2006 May;28(3):210-24. Review. PMID: 16753718

[Program evaluation models and related theories: AMEE guide no. 67.](#)

Frye AW, Hemmer PA.

Med Teach. 2012;34(5):e288-99. Review. PMID: 22515309

[Key elements in assessing the educational environment: where is the theory?](#)

Schönrock-Adema J, Bouwkamp-Timmer T, van Hell EA, Cohen-Schotanus J.

Adv Health Sci Educ Theory Pract. 2012 Dec;17(5):727-42. Review. PMID: 22307806
